

Potato Shipper

Definition

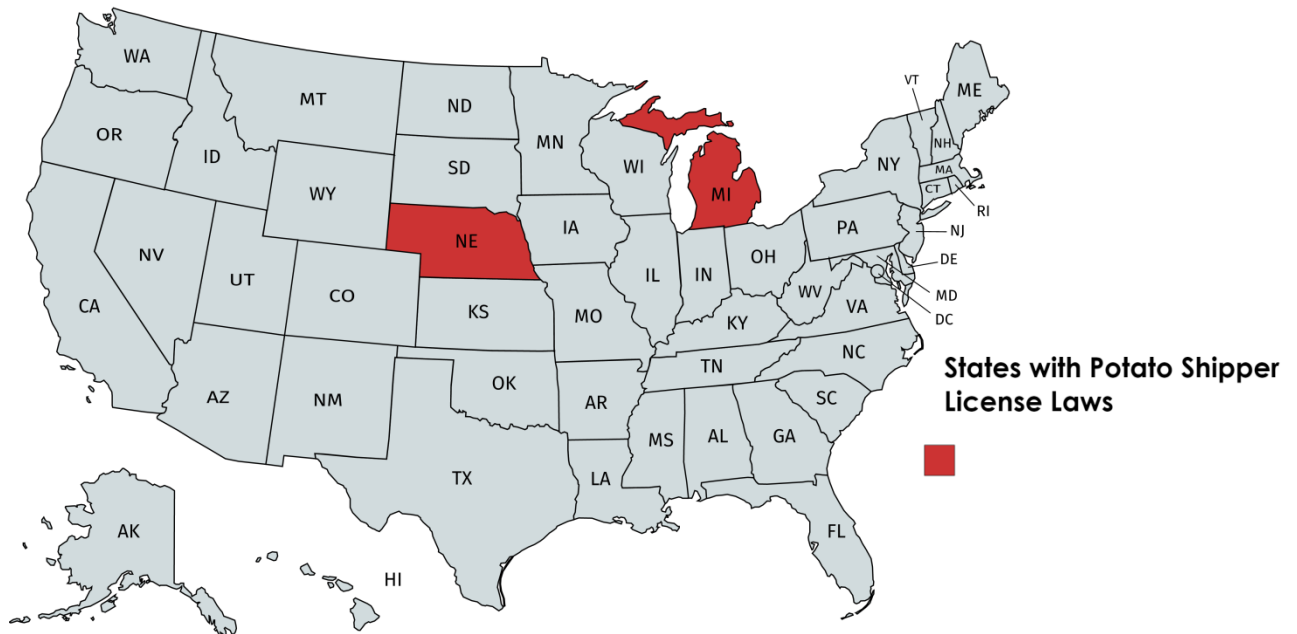

A potato shipper is anyone who is in the business of shipping potatoes and sells potatoes grown in Nebraska.

What LB 348 does

This legislation repeals the entire license and eliminates a check-off related to the license.

State Specific Information

According to research done by the Platte Institute, the only states that license potato dealers are Nebraska and Michigan. The USDA reported for 2015 that Nebraska had 15,500 planted acres of potatoes which produced \$60,085,000.
