How Nebraska's Tax System Stacks Up

The following is a compilation of information from the Tax Foundation.

Here are some basic facts on Nebraska's tax system and how it compares to other states:

Tax Freedom Day Arrives on April 7 in Nebraska

Tax Freedom Day is the day when Americans finally have earned enough money to pay off their total tax bill for the year. In 2010, Nebraska taxpayers work until April 7 to pay their total tax bill, ranking it 27th in the nation. This is 2 days before national Tax Freedom Day (April 9). The Tax Freedom Days of neighboring states are: South Dakota, March 29 (ranked 47th nationally); Iowa, April 4 (ranked 36th nationally); Missouri, April 4 (ranked 35th nationally); Kansas, April 7 (ranked 25th nationally); Colorado, April 10 (ranked 17th nationally); and Wyoming, April 11 (ranked 16th nationally).

Nebraska's 2010 Business Tax Climate Ranks 33rd

Nebraska ranks 33rd in the Tax Foundation's State Business Tax Climate Index. The Index compares the states in five areas of taxation that impact business: corporate taxes; individual income taxes; sales taxes; unemployment insurance taxes; and taxes on property, including residential and commercial property. Neighboring states ranked as follows: South Dakota (1st), Iowa (46th), Missouri (16th), Kansas (32nd), Colorado (13th) and Wyoming (1st).

Nebraska Property Taxes: Comparatively High

Nebraska is one of the 37 states that collect property taxes at both the state and local levels. As in most states, local governments collect far more. Nebraska's localities collected \$1,268.72 per capita in property taxes in fiscal year 2006, which is the latest year the Census Bureau published state-by-state property tax collections. At the state level, Nebraska collected \$1.41 per capita during FY 2006, making its combined state/local property taxes \$1,270.13 per capita, ranking 17th highest nationally.

Federal Tax Burdens and Expenditures: Nebraska is a Beneficiary State

Nebraska taxpayers receive more federal funding per dollar of federal taxes paid compared to the average state. Per dollar of Federal tax collected in 2004, Nebraska citizens received approximately \$1.10 in the way of federal spending. This ranks the state 25th highest nationally and represents an increase from 1995, when Nebraska received \$1.01 per dollar of taxes in federal spending (30th highest). Neighboring states and the amount of federal dollars they received per dollar collected in federal taxes were: South Dakota (\$1.53), Iowa (\$1.10), Missouri (\$1.32), Kansas (\$1.12), Colorado (\$0.81) and Wyoming (\$1.11).
