

# Reflexologist

## Definition

Reflexology is a protocol of manual techniques applied to specific reflex areas predominantly on the feet and hands.

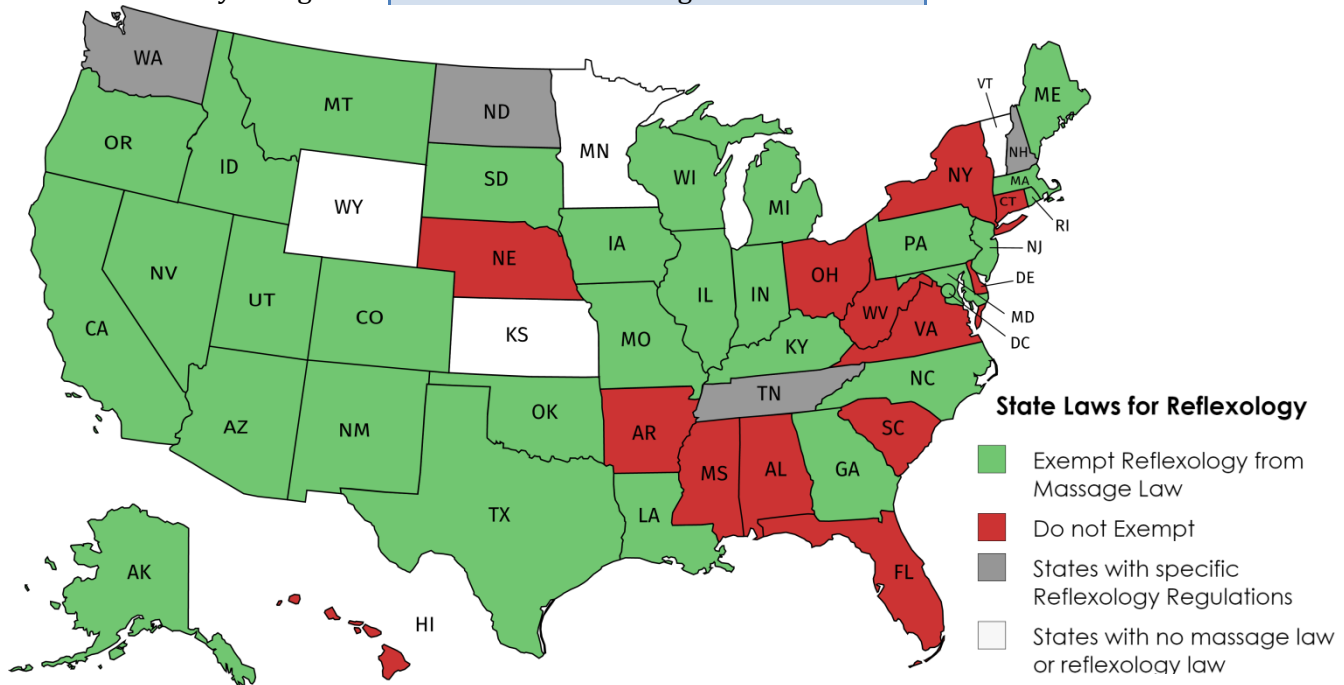

## What LB 588 does

This legislation exempts Reflexologists from the Massage Therapist Licensure requirements.

## State Specific Information

Reflexology is typically licensed through the broad definition of massage therapy. Reflexology is exempt from massage laws in 34 states and the District of Columbia. Four states have their own reflexology regulations and 4 states have no massage law and reflexology is not regulated or licensed. In many counties and cities with massage laws, professional reflexologists have received an exemption.
